Publication Media Type:

Paper support

Document Title:

Ion bom bardment effects in low pressure plasmas in situ spectroscopic ellipsometry and monte carlo simulation study

Subject Matter:

Dissertation

Author:

Amassian, aram, phd

National Language:

English

Special Features:

Ecole poly technique, montreal, 2006, 212 pp

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T110-b
