Document Title:

Medical visual language translator english/spanish

Author:

Kwikpoint

Product Name:

Medical visual language translator english/spanish 24-panel foldable

Special Features:

This invaluable visual communication tool enables instant communication with spanish-only speakers in situations where language barriers could seriously hinder effective treatment in urgent medical situations; english/spanish language panels paired side-by-side with carefully developed picture panels enable medical personnel to communicate critical-care questions and get quick answers by having patients point to adjoining pictures; the compact, hinge-laminated format makes it easy to handle and wipe clean, and fits most pockets for quick access; an essential tool for any emergency technician or medical provider that works with spanish speaking populations

Supplementary Features:

Laminated 24-panel foldable picture symbol medical translator

Shelf Life:

N/a

Unit Of Measure:

--
