**Environmental Protection:**

Oil resistant and water resistant and weather resistant and heat and hydrocarbon fuel and corrosion resistant

**Usage Form:**

Roll

**Marking Designation:**

Legend

**Roll Length:**

50.0 feet

**Roll Width:**

1.000 inches

**Inscription:**

Hydraulic 1st stage servo tail rotor pressure single side

**Color:**

Blue and yellow inscription background

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A529m0
