Environmental Protection:

Oil resistant and water resistant and weather resistant and heat and hydrocarbon fuel and corrosion resistant

Usage Form:

Roll

Marking Designation:

Legend

Roll Length:

50.0 feet

Roll Width:

1.000 inches

Inscription:

Hydraulic 1st stage servo tail rotor pressure single side

Color:

Blue and yellow inscription background

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0
