Width	۱:

0.250 inches

Length:

1.500 inches

**Environmental Protection:** 

Heat

### **Basic Shape Style:**

Rectangular

## Usage Form:

Strip

# Marking Designation:

Legend

## **Quantity Per Form:**

36

#### Inscription:

X single side

# Features Provided:

Detachment perforation

Color:

White inscription background

### Material:

Plastic

## **Reference Number Differentiating Characteristics:**

As differentiated by length requirement

Shelf Life:

N/a

#### Unit Of Measure:

---

# Demilitarization:

No

## Fiig:

A529m0
