\A/: -141	
Width:	۰.

1.125 inches

Length:

3.500 inches

**Environmental Protection:** 

Temperature resistant

## Basic Shape Style:

Rectangular

## Usage Form:

Sheet

### **Inscription Height:**

1.000 inches

#### **Marking Designation:**

Legend 1st side

#### Quantity Per Form:

8

#### Inscription:

Saw single side

#### **Features Provided:**

Detachment perforation

## Color:

White inscription background

### Material:

Plastic vinyl

### Surface Treatment:

Silicon

# Shelf Life:

N/a

### Unit Of Measure:

---

## Demilitarization:

No

### Fiig:

A529m0
