Width:

2.000 inches

Thickness:

0.012 inches

Length:

1.120 inches

End Application:

2350-00-582-5595

Basic Shape Style:

"h"

Material:

Aluminum alloy

Material Specification:

Alloy 1100 national specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0
