Width:

Between 1.470 inches and 1.530 inches

Length:

Between 2.750 inches and 2.810 inches

Environmental Protection:

Cold resistant and corrosion resistant and water resistant and dirt resistant

Basic Shape Style:

Rectangular

Usage Form:

Singular

Marking Designation:

Symbol single side

Inscription:

Right head arrow single side

Color:

White single side inscription background

Material:

Plastic

Specification Data:

81349-mil-m-43719, type 1, class 1 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0
