**Width:**

Between 1.470 inches and 1.530 inches

**Length:**

Between 2.750 inches and 2.810 inches

**Environmental Protection:**

Cold resistant and corrosion resistant and water resistant and dirt resistant

**Basic Shape Style:**

Rectangular

**Usage Form:**

Singular

**Marking Designation:**

Symbol single side

**Inscription:**

Right head arrow single side

**Color:**

White single side inscription background

**Material:**

Plastic

**Specification Data:**

81349-mil-m-43719, type 1, class 1 government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A529m0
