### Width:

12.000 inches

#### Thickness:

0.007 inches

## Length:

9.000 inches

#### **Basic Shape Style:**

Rectangular

## Usage Form:

Sheet

## **Quantity Per Form:**

16

#### Material:

Plastic

#### Material Specification:

Ppp-t-66, type 2 federal specification single material response

#### Surface Treatment:

Silicon

#### Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

#### Fiig:

A529m0
