Diameter:

0.375 inches

Basic Shape Style:

Round

Usage Form:

Singular

Marking Designation:

Symbol

Inscription:

Broken circle with three 120 degrees arrows pointing inward within a circle

Color:

Yellow inscription background

Material:

Aluminum

Material Specification:

Mil-p-19834, type i military specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0

Mil-std (military Standard):

Mil-p-19834 spec.
