#### Width:

34.9 millimeters

## Length:

136.5 millimeters

## Attachment Method:

Pressure sensitive adhesive

## **Basic Shape Style:**

A5 rectangular w/tab at each end

## Adhesive Location:

Back

# Features Provided:

## Roll

#### Product Name:

Label vinyl blk orng adh id for patient for bookbinder chart200s

#### **Special Features:**

Used for identification for patient specifically for bookbinder charts

#### Color:

Orange

## Material:

Plastic vinyl

#### Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

## Fiig:

A529g0
