**Diameter:**

2.630 inches

**Thickness:**

0.020 inches

**End Application:**

Mk88mod0 gun

**Basic Shape Style:**

Round

**Usage Form:**

Singular

**Marking Designation:**

Legend

**Inscription:**

Open lock

**Special Features:**

Pressure-sensitive adhesive back with removable liner

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1, alloy 1100 federal specification 1st material response or qq-a-250/8, alloy 5052 federal specification 2nd material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A529m0
