Diameter:

2.630 inches

Thickness:

0.020 inches

End Application:

Mk88mod0 gun

Basic Shape Style:

Round

Usage Form:

Singular

Marking Designation:

Legend

Inscription:

Open lock

Special Features:

Pressure-sensitive adhesive back with removable liner

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification 1st material response or qq-a-250/8, alloy 5052 federal specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0
