Width:

0.500 inches

Thickness:

0.004 inches

Length:

0.500 inches

End Application:

Pacer dawn

Basic Shape Style:

Square

Special Features:

Original name label circuit boardcaution static discharge color black on yellow

Material:

Plastic polyester

Material Specification:

No. 3699, 3m co mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529m0
