Width:

Between 0.734 inches and 0.766 inches

Thickness:

0.003 inches

Length:

Between 0.609 inches and 0.641 inches

Marking Designation:

Legend

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529m0
