Width:

0.815 inches

Thickness:

0.100 inches

Length:

0.272 inches

Environmental Protection:

Abrasion resistant and altitude and humidity resistant and salt spray resistant

End Application:

Ea-6b aircraft

Basic Shape Style:

Rectangular

Usage Form:

Singular

Inscription Height:

0.120 inches

Inscription:

Fwd pwr 1st side

Criticality Code Justification:

Agav

Product Name:

Inavy) legend plate

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529m0
