Width:

Between 1.970 inches and 2.030 inches

Thickness:

0.010 inches

Length:

Between 1.970 inches and 2.030 inches

End Application:

C-130

Basic Shape Style:

Square

Product Name:

Decal identification fluid line

Special Features:

Hydraulic system, norm brake left

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529d0
