Attachment Method:

Pressure sensitive adhesive

End Application:

F-22 raptor

Product Name:

Label

Special Features:

1.13" high x 2.63" wide. Made of aluminum and adhered to surface with 3m high-performance backing, label, refrigerant sight glass

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
