Width:

5.000 inches

Thickness:

0.020 inches

Length:

5.000 inches

Attachment Method:

Hole

End Application:

3990-01-443-8024 engineering mission module for the pls; 3990-01-307-7676 pls flatrack

Basic Shape Style:

Rectangular

Inscription:

Transport data; lifting and tiedown rings front and rear

Product Name:

Data plate, transport - pls aluminum

Special Features:

Photo sensitive aluminum, .020 inches thick; 4 0.125 inch mounting holes

Color:

White inscription

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529g0
