Width:

4.000 inches

Thickness:

0.007 inches

Length:

9.000 inches

Attachment Method:

Pressure sensitive adhesive

End Application:

As-3199b/tsc

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Inscription:

"partial legend" lifting weights --- for "mechanical lift" hoist operation and sling rigging instructions see tm-5985-359-13

Color:

Silver inscription

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
