Width:

0.900 inches

Thickness:

0.003 inches

Length:

4.000 inches

Attachment Method:

Pressure sensitive adhesive

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Inscription:

Power to battery box; marwin gps tacmet; etcimvis radios; mpu

Product Name:

Label

Special Features:

Data in cwt indicates export control under itar

Color:

Black inscription background

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
