Width:

0.600 inches

Thickness:

0.050 inches

Length:

1.200 inches

Attachment Method:

Pressure sensitive adhesive

End Application:

5855-01-573-2483; medium range thermal bi-ocular (mrtb)

Basic Shape Style:

Rectangular w/rounded ends

Adhesive Location:

Back

Inscription:

Danger

Product Name:

Laser safety lable

Color:

Black inscription background and white inscription background

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529g0
