Width:

2.000 inches

Thickness:

0.039 inches

Length:

4.000 inches

Attachment Method:

Pressure sensitive adhesive

End Application:

5410-01-592-9463

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Inscription:

Caution - blowing debris hazard

Product Name:

Labels

Color:

White surface

Material:

Plastic polyester

Material Specification:

Iso3864/ansi z535.4 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
