**Width:**

1.000 inches

**Attachment Method:**

Pressure sensitive adhesive

**End Application:**

F/a-18 c/d

**Basic Shape Style:**

Rectangular

**Adhesive Location:**

Back

**Inscription:**

Hydraulic; canopy open

**Product Name:**

Tape, identification - fluid line color coded

**Special Features:**

Max temp is 325.0 degrees fahrenheit

**Color:**

Blue and yellow inscription background

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A529g0
