Width:

1.000 inches

Attachment Method:

Pressure sensitive adhesive

End Application:

F/a-18 c/d

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Inscription:

Hydraulic; canopy open

Product Name:

Tape, identification - fluid line color coded

Special Features:

Max temp is 325.0 degrees fahrenheit

Color:

Blue and yellow inscription background

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529g0
