Width:

1.25 inches

Thickness:

0.020 inches

Length:

3.0 inches

Attachment Method:

Pressure sensitive adhesive

End Application:

An/sps-6 (v) 5

Basic Shape Style:

Rectangular

Adhesive Location:

Back

Inscription:

Modified by addition of an/sp-6 (v)5 fc3 (scd 8726) rt controller bias

Product Name:

Rt controler bias nameplate details

Special Features:

Name plates to be type "h" style iv (metal photo)

Color:

Black single side inscription background

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A529g0
