Overall Length:

72.000 inches

Overall Width:

37.000 inches

Voltage Rating:

110.0 volts

Unit Type:

Electric

Closure Method:

Space saving design folds for easy storage

Special Features:

Reebok rx6200 treadmill 0 to 10 pct incline; emergency shutoff; magazine rack; water bottle holder; displays: speed, distance, time, pulse, total calories, fat burned; user cooling fans built in to console; 1.75 hp motor, speeds up to 10 mph; ekg heart rate grip pulse system; workouts preprogrammed; maximum user wt 250 lbs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-h
