Mounting Type:

Floor surface, free standing

Overall Length:

55.0 inches

Overall Height:

97.0 inches

Overall Width:

66.0 inches

Environmental Protection:

Rustproof

Specific Use:

Exercise

Usage Design:

Upper torso, front

Unit Type:

Stationary

Weight:

536.0 pounds

Frame Construction:

Tubular

Product Name:

Half rack

Frame Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A543r0
