Mounting Type:

Floor surface, free standing

Overall Length:

93.000 inches

Overall Height:

108.000 inches

Overall Width:

73.000 inches

Environmental Protection:

Abrasion resistant

Specific Use:

Exercise

Usage Design:

Arm

Unit Type:

Stationary and adjustable

Frame Construction:

One-piece

Product Name:

Power-lift half rack

Frame Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A543r0
