Mounting Type:

Wheel

Design Type:

Vertical tank

Operation Method:

Electric

Revolving Brush:

Included

Blower Outlet:

Not included

Water Lift Design Feature:

Included

Product Name:

Cleaner vacuum electric vert tank ac 115v 60hz 660watts wet/dry

Exterior Container Weight:

31.00 pounds

Exterior Container Cubic Measure:

2.951 cubic feet

Exterior Container Quantity:

1

Special Features:

Operating rm; portable; infectious waste; 115 v; 60 hz, ac; 660 watts; lightweight; w/radio interference filter, wet and dry pickup kits, staphicidal filter adapter, and 3-staphicidal filters; for use in the vacuum removal of wet and dry waste matl from surgical and sterile preparation areas

Unit Of Issue Cube:

2.951 cubic feet

Unit Of Issue Weight:

31.00 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T309-a
