Overall Length:

31.000 inches

Overall Height:

12.000 inches

Overall Width:

16.000 inches

Wattage Rating:

300.000 watts

Voltage In Volts And Current Type:

110.0 ac

Functional Description:

Used to clean swimming pools

General Description:

Water filtered 10000.0 gal/hr; cleaning coverage 12500.0 sq. Ft/hr; floating cable 120.0 ft; two self-contained reuseable filter bags; two high speed motors dc, oil filled, brushless

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
