Mounting Type:

Wheel

Voltage Rating In Volts:

120.0 ac

Separator Type:

Inclosed

Design Type:

Horizontal tank

Operation Method:

Electric

Revolving Brush:

Not included

Blower Outlet:

Included

Water Lift Design Feature:

Included

Special Features:

Dust extractor; power rating-1000; cfm-120; 90 ins static water lift; noise level-58 decibels; psi 58-174; 22 ft power cord; 10 gallons tank; weight 26 pounds; dimensions 18"w x 17"d x 20"h

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T309-a
