Overall Length:

9.000 inches

Diameter:

0.500 inches

Length:

3.500 inches

Handle Type:

Twisted wire

Handle Material:

Brass or steel

Handle Surface Treatment:

Zinc

Product Name:

Brush test tube e2 tufted tip .5"dia 9"long twisted wire/brass

Special Features:

Afy if steel

Style Designator:

Tufted tip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T194-f
