Overall Length:

5.750 inches

Overall Width:

3.812 inches

Overall Thickness:

1.875 inches

Product Name:

Sponge rectangular 5.750in x 3.812in x 1.875in natural

Environmental Attribute Code:

Plastics removal in the marine environment (prime) product

Special Features:

Natural color, furnished uncompressed; approved navy prime (plastic removal in marine environment)

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T328-b
