Solvent-detergent Cleaning Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7930-01-306-8369

Not included Water Usage: Not required Environmental Attribute Code: Low volatile organic compound - household consumer products Special Features: Concentrated, non-toxic, biodegradable multipurpose cleaner. Effectively removes oil, lubricants, grease and grime. Cleans floors, w countertops, doors, concrete, tile, stainless steel, grease filters and traps. Does not contain any materials listed under the epa's natice emission standards for hazardous air pollutants (neshap). Low voc, non-flammable. Six (6) each, one (1) gallon containers per box Shelf Life: N/a Unit Of Measure: Demilitarization:
