Physical Form:

Concentrated liquid

Usage Design:

Stainless steel or chrome or enameled metal

Igniting Characteristic:

Nonflammable

Nonfreezing Feature:

Included

Special Features:

Orange scented; contains approx. 8% mineral seal oil and less than 2% nonionics surfactans; 2 bt/pg

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T329-c
