Physical Form:

Liquid aerosol

Igniting Characteristic:

Flammable

Nonfreezing Feature:

Included

Volatile Organic Compound In Grams Per Liter:

212.0

Environmental Attribute Code:

Low volatile organic compound - household consumer products

Special Features:

Ready to use aerosol metal polish designed for cleaning, polishing, and protecting stainless steel, chrome, and aluminum. Removes grease, fingerprints, and light soil and provide a thin, protective, water-resistant film that prevents rusting, corrosion, and discoloration. The polish contains no wax or harsh abrasives. Box contains 12, 20 oz. Aerosol cans

Supplementary Features:

Meets the volatile content (voc) specified under the California VOC emissions of consumer products requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T329-c
