**Physical Form:**

Concentrated liquid

**Primary Container Content Quantity:**

1.000 gallons

**Total Primary Container Quantity:**

4

**Environmental Attribute Code:**

Low volatile organic compound - household consumer products

**Special Features:**

Concentrated carpet extraction cleaner compatible with advanced generation fibers and safe to use on all synthetic carpets, low foam formula for use in high pressure carpet extractors; dilution ratio 1: 128

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T329-a
