Physical Form:
Concentrated liquid
Asphalt Surface Usage Feature:
Not included
Water Usage:
Required
Total Primary Container Quantity:
6
Special Features:
Concentrated biodegradable, non-flammable, non-toxic, water-soluble, non-terpene, non-ozone depleting degreaser designed to be
diluted with water to replace hazardous cutting solvents in cold applications; rapidly overcomes surface tension and lifts soil, emulsifies and
suspends materials such as petroleum, animal oils, organic oils and greases; green liquid with mild odor; box contains 6 1-gallon
containers
Shelf Life:
N/a
Unit Of Measure:
- -
Demilitarization:
No
Fiig:
Т329-а
