Solvent-detergent Cleaning Compound - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/7930-01-398-0930

Physical Form: Concentrated liquid Asphalt Surface Usage Feature: Not included Water Usage: Required Total Primary Container Quantity: 1 Special Features: 55 gal drum environmentally safe, conctr'd biodegradable, non-flamm, non-toxic, non-corr, cleaner/degreaser; removes heavy coil, wax lubricants, baked on carbons, soot, gum, resins, wax, graphite, dyes, ink, loose/fresh paints from wash hard surfs; uduty degreasing in dip tanks-lite cleaning in/around mfg, assembly, shop, off area doesn't contain carbon tetrachloride, petroleun distillates, chlorinated solvent, benzene, caustic acids; safe/alum, stainless steel, glass, fiberglass, cast iron, aircraft concrete blue liquid, butyl odor, completely soluble in water Shelf Life: N/a Unit Of Measure:	
Asphalt Surface Usage Feature: Not included Water Usage: Required Total Primary Container Quantity: 1 Special Features: 55 gal drum environmentally safe, conctr'd biodegradable, non-flamm, non-toxic, non-corr, cleaner/degreaser; removes heavy coil, wax lubricants, baked on carbons, soot, gum, resins, wax, graphite, dyes, ink, loose/fresh paints from wash hard surfs; u duty degreasing in dip tanks-lite cleaning in/around mfg, assembly, shop, off area doesn't contain carbon tetrachloride, petroleun distillates, chlorinated solvent, benzene, caustic acids; safe/alum, stainless steel, glass, fiberglass, cast iron, aircraft concrete blue liquid, butyl odor, completely soluble in water Shelf Life: N/a Unit Of Measure:
