Physical Form:

Liquid

Solid Content Percentage:

20.0

Self-polishing Feature:

Included

Volatile Organic Compound In Grams Per Liter:

0.64

Environmental Attribute Code:

Low volatile organic compound - household consumer products

Special Features:

Combination floor cleaner/finish, clean/shines one easy mopping operation, light detergent action removes moderate soils, while a thin coat of metal-interlock acrylic finish gives unifouniform/streak-free shine, easily applies to semi/nonbuffable finish, quickly dries to hard; high gloss, resists soil, scuff, black heel marks, thin translucent, milky-white liquid w/mild odor; slip resistant, water-based emulsion, acrylic copolymer, has a dry-bright finish with high durability and low maintenance, metal interlocking, resistant to traffic scuffs and black heel marks, meets or exceeds csma and ul standard (astm d-2047-69) for slip resistant, each coat of the material dries in 20 to 30 minutes, capable of being used on most types of floor surfaces, including rubber, asphalt tile, vinyl, cork, vinyl asbestos, sealed concrete and terrazzo

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T329-b
