Physical Form:

Concentrated liquid

Asphalt Surface Usage Feature:

Not included

Water Usage:

Required

Primary Container Content Quantity:

5.000 gallons

Total Primary Container Quantity:

1

Environmental Attribute Code:

Low volatile organic compound - industrial cleaners - water based cleaning materials

Special Features:

Concentrated degreaser/parts cleaner formulated to replace hazardous cleaning systems/solvents; environmentally safe, human safe; neutral ph; use in steam sprays, floor scrubbers, dip tanks/any other degreasing app; no fumes, no odors, no voc's, usda approved safe on paint, wax, plastic, aluminum, chrome, any washable surf; removes grease, oil, dirt, graphite, carbon; leaves surgically clean surf for welding, plating or painting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T329-a
