Physical Form:

Powder

Nontoxic Feature:

Not included

Corrosive Characteristics:

Noncorrosive

Special Features:

Enzyme waste system treatment; maintains, cleans sewer; plumbing lines, grease traps, septic tanks; assures trouble-free operation w/preventive maintenance; high activity enzymes, bacterial cultures effect liquefy, digest fats, proteins, starches, non-acid, non-alkaline; active enzyme/bacterial sub %: mtg pounds; total pri cont qty: 110 lb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T329-a
