**Specific Use:**

Aircraft

**Application Method:**

Spraying as is

**Shade Identification:**

4725

**Quantity Within Each Unit Package:**

1.000 gallons

**Gloss Designation:**

Eggshell

**Pigment Material Type:**

Lampblack and aluminum stearate

**Special Features:**

Shade source general dynamics corp; pigment material type celite 165-s and magnesium silicate

**Color:**

Black

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A09700
