d Application:	
22 acft	
plication Method:	
raying after thinning	
sic Formulation Type:	
lyurethane	
lor:	
ay, dark	
pplementary Features:	
ray booth required for spray applications, 1/2 gallon can polyurethane vehicle, 96g bottle curing agaent, 100g hdpe bottle accelerator	
elf Life:	
it Of Measure:	
militarization:	
s - demil/mli	
g:	
9700
