**Specific Use:**

Aircraft

**Application Method:**

Spraying after thinning

**Content Within Each Unit Package:**

10 gallons component 1 and component b

**Gloss Designation:**

Lusterless

**Coloring Method:**

Pigmented

**Basic Formulation Type:**

Polyurethane

**Rated Drying Time:**

8.000 hours

**Color Chip Number:**

36176

**Color:**

Gray, blue

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A09700

**Mil-std (military Standard):**

Mil-c-85285 spec.
