Specific Use:

Aircraft

Application Method:

Spraying after thinning

Content Within Each Unit Package:

10 gallons component 1 and component b

Gloss Designation:

Lusterless

Coloring Method:

Pigmented

Basic Formulation Type:

Polyurethane

Rated Drying Time:

8.000 hours

Color Chip Number:

36176

Color:

Gray, blue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09700

Mil-std (military Standard):

Mil-c-85285 spec.
