## NSN 8010-01-541-1475

Polyurethane Coating - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/8010-01-541-1475 Specific Use: Aircraft **Application Method:** Spraying after thinning **Content Within Each Unit Package:** 10 gallons component 1 and component b Gloss Designation: Lusterless **Coloring Method:** Pigmented

**Rated Drying Time:** 

**Basic Formulation Type:** 

8.000 hours

Polyurethane

**Color Chip Number:** 

36176

Color:

Gray, blue

Shelf Life:

N/a

**Unit Of Measure:** 

**Demilitarization:** 

No

Fiig:

A09700

Mil-std (military Standard):

Mil-c-85285 spec.
