End Application:

F-22 aircraft

Quantity Within Each Unit Package:

8.000 ounces

Rated Drying Time:

6.000 hours

Product Name:

Primer, nonchromate

Special Features:

Shelflife 6 months. Chromate free, low density, waterborne epoxy primer provides corrosion & chemical resistance over aerospace aluminum substrates. Curing solution ecw-119

Color:

Brown

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09700
